EN Boxer

Dogs tilt their heads when listening

When you talk to a dog, it might tilt its head to one side. Dogs do this to hear certain sounds better and to watch your face, trying to understand you.

FR Boxer

Les chiens penchent la tête en écoutant

Quand tu parles à un chien, il peut pencher la tête sur le côté. Il fait cela pour mieux entendre certains sons et pour observer ton visage, en essayant de te comprendre.

ES Boxer

Los perros inclinan la cabeza cuando escuchan

Cuando le hablas a un perro, puede inclinar la cabeza hacia un lado. Los perros hacen esto para escuchar mejor algunos sonidos y para mirar tu cara, intentando entenderte.

PL Bokser

Pies przekrzywia głowę, gdy nas słucha

Gdy mówisz do psa, on czasem zabawnie przekrzywia głowę na bok. Robi tak, żeby lepiej usłyszeć pewne dźwięki i obserwuje twój wzrok, próbując cię zrozumieć.
